TENDER DOCUMENT

FOR THE

CONSTRUCTION OF NEW CORRAL FENCES,

AT THE CHATHAM

YOUTH DEVELOPMENT AND APPRENTICESHIP CENTRE,

SOUTHERN MAIN ROAD, CHATHAM

FOR

THE GOVERNMENT OF THE REPUBLIC OF

TRINIDAD AND TOBAGO

PUBLIC PROCUREMENT ADVERTISEMENT

The Ministry of Sport and Youth Affairs invites tenders for the following Project:

#	Project Facility	Name of Tender	Mandatory Pre-Submission Briefing/Site Visit	Closing Date/Time
1	Chatam Youth Development and Apprenticeship Centre	Construction of New Perimeter Fencing (Pasture Development)	Wednesday 1 st May, 2019 10:00 a.m.	Monday 13 th May, 2019 10:00 a.m.

ELIGIBILITY

Submission of tenders is open to all contractors registered in Trinidad and Tobago who possess the expertise, experience and financial resources to undertake selected project(s).

Only Proponents signing the Attendance Register at the respective Mandatory Pre-Submission Briefing/Site Visit and submitting valid Mandatory Statutory Certificates (Income Tax Certificate, VAT Certificate and National Insurance Board Compliance Certificate) will qualify to be evaluated.

EVALUATION CRITERIA (TECHNICAL/FINANCIAL)

Tender submissions will be evaluated according to the following basic criteria:

- i. Proposed Implementation Time (10 pts. Max)
- ii. General Background of the Firm (5 pts. Max)
- iii. Performance History (10 pts. Max)
- iv. Work Experience of the Firm in performing services for projects of similar nature (10 pts. Max)
- v. Methodology and Work Plan (10 pts. Max)
- vi. Curricula Vitae of Proposed Key Professional Staff (5 pts. Max)
- vii. Fee (30 pts. Max)
- viii. Financial Capability of the Firm (20 pts. Max.)

Proponents are advised that Tender Documents will be available from Friday 26th April, 2019:

- From the Ministry of Sport and Youth Affairs' website at www.sport.gov.tt

Contractors are required to submit One (1) printed Original of the Proposal comprising a Technical Proposal and a Financial Proposal, in a sealed envelope properly labelled with the Name of Tender.

Complete Proposals must be addressed to:

Permanent Secretary
Ministry of Sport and Youth Affairs
#2 Elizabeth Street, St. Clair, Port-of-Spain

Sealed packages must be placed in the appropriately marked tender box, located in the Procurement Unit, 3rd Floor of the Ministry of Sport and Youth Affairs, #2 Elizabeth Street, St. Clair, Port-of-Spain. Late submissions will not be considered. Tender submissions will not be accepted electronically.

It shall be noted that:

- i. The Ministry of Sport and Youth Affairs reserves the right to cancel the present tender process in its entirety or partially, without defraying all costs associated with the preparation and submission of the Proposal;
- ii. The Ministry of Sport and Youth Affairs does not bind itself to accept the lowest price of any Proposal submitted.

Further information or clarification can be obtained from the Procurement Unit, at the Ministry of Sport and Youth Affairs Telephone 1 868 – 628 - MSYA (6792) Extensions 5101, 5102 or 5103.

1.0 PRELIMINARIES AND GENERAL CONDITIONS

Government of the Republic of Trinidad and Tobago
Ministry of Sport and Youth Affairs

NAME OF PROJECT: Proposed Construction of New Corral Fences, at the Chatham Youth Development and Apprenticeship Centre, Southern Main Road, Chatham.

EMPLOYER: Permanent Secretary
Ministry of Sport and Youth Affairs
#2 Elizabeth Street
St Clair

PROJECT MANAGER: Project Management Unit
Ministry of Sport and Youth Affairs
#2 Elizabeth Street, St Clair
Port-of-Spain

Or any other person/s authorized to
act on their behalf

PRELIMINARIES AND GENERAL CONDITIONS

Description of Works

The project entails the removal of existing chain link wire and barbed wire fences and the erection of new fence surrounding the cow pens.

Scope of Works

The works comprise the following:

1. Removal of barbed wire fence and chain link fence.
2. Installation of barbed wire fence and chain link fence unto existing posts.

Location of Site

The site of the proposed works is located at Chatham Youth Development and Apprenticeship Centre, Southern Main Road, Chatham.

Possession of site

To be agreed upon the Award of Contract. The works shall be executed in a manner to cause the least disturbance to the other operations on the site. An area for the storage of material would be identified in consultation with the Facility Manager or his representative.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

INSTRUCTIONS TO TENDERERS

A. (Tenderers are advised to read all instructions carefully. Failure to follow these instructions may result in rejection of your offer).

1. Tenders must be accompanied by a valid up-to-date Income Tax Clearance Certificate issued by the Board of Inland Revenue.
2. Tenderers who are registered for Value Added Tax must:
 - a. Provide a valid up-to-date Value Added Tax Clearance Certificate.
 - b. Show the tax separately below the tender price.
3. Tenderers are advised to note:
 - a. Where a person or firm imports goods that are exempt from payment of Customs Duty, under Item 20 of the 2nd Schedule of the Customs Ordinance, Value Added Tax shall not be charged upon the entry of the goods so imported or taken out of bond, by or on behalf of the Central Government for its own use;
 - b. The treatment of Value Added Tax on the supply of goods ex-stock and, as well services in Trinidad and Tobago to the Central Government will remain the same, subject to the rate of tax appropriate to such supplies.
4. Tenderers must provide the following in their tender:
 - a. An assurance that prices would remain valid for an initial minimum period of ninety (90) days from the closing date of tender.
 - b. A firm delivery period.
 - c. Guaranteed offer.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

INSTRUCTIONS TO TENDERERS

- A. **Text to be definitive**
Do not alter, add to or modify the text of the specifications as this will not be recognized or taken into account and could lead to a disqualification of the tender. If the Tenderer wishes to make an observation as to the printed text in connection with the rates or prices he had inserted, such observation shall form the subject of a separate letter to accompany his tender.
- B. **Pricing**
Price in ink each item in the specification which is considered to have a money value. If the Tenderer omits to price any item it will be deemed that either he will perform the services described free of charge or that the cost of such services has been included against items appearing elsewhere in the specification.
- C. Prices inserted unless otherwise stated, shall be deemed to include for all duties, taxes, materials, plant and tools, transportation, labour and supervision and all other costs necessary for the timely execution of the works.
- D. Prices are to be submitted in Trinidad and Tobago Dollars (TT \$) and exclusive of Value Added Tax. This is to be stated along with tender submission to ensure clarity in interpretation of prices.
- E. **Fluctuations**
No adjustment will be made for cost increases/decreases which take place during the period stipulated for carrying out the works except the same are as a consequence of the introduction of or changes to statutory regulations.
- F. **Queries**
The Tenderer shall refer all queries arising out of this tender to the Procurement Unit's Representative whose decision for the purpose of tendering shall be final.
- G. Queries shall be raised not later than five (5) days before the closing date of tenders, so as to permit the circularizing of the replies to all tenderers, if this is considered necessary.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

INSTRUCTIONS TO TENDERERS (Continued)

- A. **Time**
Time is of the essence in this contract so that the agreed date of completion must be adhered to.
- B. **Submission**
Tenderers must submit the Tender Document duly priced with the completed Form of Tender in a sealed envelope all in accordance with the instructions as outlined in the invitation to tender and including the following.
- C. The full name, signature, office and business address of the Tenderer.
- D. Signature of the person making the offer, or in the case of a Company, partnership or business firm, by a duly authorized officer or employee of such company, partnership or the business firm.
- E. The initials of the person making any offer must be inserted next to any alterations to include clause for correction or erasures made or in the case of a company, discount offered (if any).
- F. **Errors**
The Tender will be checked for arithmetical errors and corrected and the Tender sum adjusted accordingly and with the concurrence of the Tenderer shall be considered to be binding on the Tenderer. If the Tenderer shall not accept the corrected amount, his tender will be rejected and the next lowest Tenderer will be offered the same opportunity. The foregoing is subject to the Employer's right not to accept the lowest or any tender.

Where errors are discovered after acceptance of the Tender, the Tenderer would be deemed to have stood by his accepted corrected tender sum. For the purposes of administering the contract and for interim payments and settlement of accounts, all rates or prices (excluding preliminary items, prime cost and provisional sums) inserted therein by the Tenderer will be reduced or increased in the same proportion as the corrected total of priced items exceeds or falls short of the original total of such items. Alternatively, by agreement with the Tenderer, the total net error shall be added to or deducted from the total shown against Preliminaries, so that the tendered sum remains the same.

To Collection \$ _____

PRELIMINARIES AND GENERAL CONDITIONS

INSTRUCTIONS TO TENDERERS (Continued)

- A. **Acceptance/Rejection of Tenders**
The Employer reserves the right to reject any Tender which does not provide satisfactory evidence that the Tenderers has the technical, physical and financial resources to complete the works within the specified contract period.
- B. The Employer may declare the Tendering void when none of the Tenderers meet the intent of the specification or when it is evident that there has been collusion. In addition, all Tenderers may be rejected if they are substantially higher than the official budget approved by the Employer.
- C. **Cost of Bidding**
The Tenderer shall bear all costs associated with the preparation and submission of his bid and the Employer will in no case be responsible or liable for these costs regardless of the conduct or outcome of the tendering.
- D. **Works Programme**
- (i) The Tenderer shall prepare and submit with his Tender a Draft Programme of the works for approval by the Project Co-ordinator.
 - (ii) The works shall be executed in a manner to cause the least disturbance to users of the facilities.
 - (iii) Tenderer to submit a Method Statement for the Works.
- E. **Contents of Tender Documents**
The tender documents issued for the purpose of soliciting tenders includes:
- a. Scope of Works
 - b. Instructions to Tenderers
 - c. Conditions of Contract
 - d. Specifications
 - e. Form of Tender
- F. The Tender is expected to examine carefully all instructions, conditions, forms and terms. Failure to comply with the requirements of bid submission will be at the Tenderer's own risk.

To Collection\$ _____

PRELIMINARIES AND GENERAL CONDITIONS

CONTRACT PARTICULARS

- A. **Form of Agreement and Conditions of Contract**
The Articles of Agreement and General Conditions of Contract will be the FIDIC Short Form of Contract, a copy of which is available at the Legal Unit of the Ministry of Sport and Youth Affairs.
- B. A copy of the Form of Contract may be inspected at the Legal Unit by appointment during normal working hours.
- C. **Terms and Conditions for Labour and Materials**
Works are to be executed between the hours of 8:00 a.m. and 4:00 p.m. unless further agreed to with the Ministry of Sport and Youth Affairs and in a manner not to hinder the movement of local pedestrian and vehicular traffic. That the Ministry of Sport and Youth Affairs will in no way be liable for any damages which may be caused to utility lines, premises etc, and it will be your responsibility to repair/replace same without any inconvenience to the person/persons concerned.
- D. The price quoted shall be deemed to be in Trinidad and Tobago currency. Prices quoted shall be deemed to include for the provision of all labour, plant for transport for deliveries to site, for temporary storage of materials and plant for transport, for the erection, maintenance and removal of scaffolding, temporary stagings, protection etc. and for all things necessary for the completion of the works in accordance to the reasonable satisfaction of the Employer
- E. That you adhere to the minimum wages bill and fair wage clause.
- F. **Contingency Sum**
Contingency sum is required as per the General Summary. This sum is to be expended at the sole discretion of the Project Co-ordinator.
- G. Contingency items to be agreed with the Ministry of Sport and Youth Affairs before implementation.
- H. **Insurance**
The Contractor shall provide all necessary insurance or indemnify against:-
1. Injury to persons or property
 2. Workmen compensation.
 3. Fire.
 4. Theft.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

SITE PARTICULARS

- A. **Site Visit**
The Contractor is advised to visit the site and ascertain the nature of work to be done, means of access and egress, the availability and positions of essentials services, viz, electricity, water etc., condition of the site, working space and storage of materials and allowance is to be made in the tender for all such factors which may affect execution of the works.
- B. The Contractor is to note that electricity and water are available for use during the works.
- C. **Protection of Public and Private Services**
The Contractor is to protect, uphold, temporarily divert and maintain all pipes, ducts, drains sewer, service mains, overhead cables and the like during the execution of the works. The Contractor is to make good any damage due to any cause within his control at his own expense or pay any costs and charges in connection therewith. Approval shall be obtained at least at two weeks in advance if any services have to be interrupted.
- D. **Siting of Temporary Works and of Permanent Spoil Disposal**
Obtain the approval of the employer to the siting of permanent spoil disposal and of the proposed siting of materials, of temporary spoil and rubbish deposits and of temporary buildings, temporary roads and the like.
- E. **Temporary Road**
The Contractor shall provide, maintain and alter as necessary all temporary roads, tracks, paths, hard standings, pavement crossings, temporary works and the like. Reinstate the ground and all the work disturbed.
- F. **Temporary Water Disposal**
Provide and maintain temporary gutters, channels, drains and the like from the disposal of surface and other water. Alter, shift and adapt from time to time as necessary.
- G. **Safety, Health and Welfare of Work People**
The Contractor is to provide a safe environment for his work people and other users of the compound and members of the public and appropriate personnel protective equipment for his employees. The Contractor is to comply with all the requirements of the Occupational Safety and Health Act No. 1 of 2004 as amended and as pertaining to these works.

To Collection \$ _____

PRELIMINARIES AND GENERAL CONDITIONS

MATERIALS AND WORKMANSHIP

- A. **Best Quality**
Materials and workmanship are to be of the best quality of their respective kinds, for which there is a British Standard or Code of Practice are to conform thereto unless otherwise stated. Workmanship is to conform to sound building practice unless otherwise described or shown.
- B. **Defective Work**
Any defective materials or substandard workmanship not in accordance with this contract shall be removed and replaced at the Contractor's own expense.
- C. **Apply Throughout**
Descriptions of materials and workmanship given in any one Section are to apply throughout the Specification unless otherwise described.
- D. **Brand Names**
Where materials are described by brand or trade names, such names are given as indication of type, quality etc., allow in tendering for these particular materials but alternative may be used with the Employer's approval. If approval is not given the materials described herein must be provided.
- E. All branded materials shall be used strictly in accordance with the respective manufacturer's recommendations and instructions. The Contractor shall be responsible for obtaining from manufacturers all relevant details regarding the use of their products. The Contractor shall bring immediately to the attention of the Employer any difference between the manufacturer's recommendation and the Specification given herein for a decision on which is to take precedence.
- F. **Provide as Necessary**
Provide as necessary all materials required for the proper execution and completion of the works.
- G. Ensure that all materials will be available from stock and if this is not the case, make arrangements for deliveries so that no delay is occasioned due to the non-availability of materials.

To Collection \$ _____

PRELIMINARIES AND GENERAL CONDITIONS

MATERIALS AND WORKMANSHIP (Continued)

- A. **Samples**
Samples of materials, colours, panels or sections of finished work, etc., shall be provided without charge, to the Employer for approval, if required. Keep approved samples on site in an approved position for use as a reference by craftsmen. No material or workmanship which in the opinion of the employer is of a lower quality than the approved sample will be accepted by the Employer.
- B. **Tests**
The Contractor's attention is drawn particularly to the requirements described in the Materials and Workmanship Section of the Bills of Quantities. Provide materials for and carry out tests as and when directed by the Employer. If the results of any tests are unsatisfactory bear the cost of any resulting reconstruction which may be ordered by the Employer.
- C. **Rejected Material**
Materials required to be incorporated into the permanent and finished construction works shall on no account be used for temporary works.
- D. Materials or goods rejected by the Ministry's Representative as unsuitable for incorporation into the works shall immediately be removed from the site.

LABOUR

- E. **Provide as Necessary**
Provide as necessary, all skilled, semi-skilled and unskilled labour required for the execution and completion of the works. Workmanship is to be of the best quality throughout, to the reasonable satisfaction of the Employer.
- F. **Availability**
Ensure that all labour will be available for the works and allow in tender for the additional cost of any importation of labour from other districts that may be deemed necessary.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

MATERIALS AND WORKMANSHIP (Continued)

- A. **Fringe Benefits**
Allow for all costs in respect of National Insurance, Vacation and Public Holiday Leave, Sick Leave, Cost of Living Allowance, Subsistence Allowances, traveling time and expenses and all other emoluments and expenses payable to or in connection with the employment of persons for the works.
- B. Comply with local regulations in force relating to the welfare of work-people on the site or in places where work is being prepared for incorporation into the works and keep and maintain, at all times, an adequate First Aid Kit on the site.
- C. **Overtime**
No work is to be executed outside normal working hours without the prior consent of the Employer. Include in the tender for any overtime work which may be considered necessary in order to complete the Works by the agreed date.
- D. **Supervision**
Provide a competent foreman-in-charge and all other site staff, necessary of the proper supervision of the works. Any instructions given by the Ministry's Representative to the foremen-in-charge shall be deemed to be given to the Contractor.

TRANSPORT

- E. Provide all necessary transport for labour and plant.

PLANT, TOOLS AND VEHICLE

- F. Provide all mechanical and non-mechanical plant necessary for the proper execution of the works.
- G. Provide and install all necessary hoists, ladders, tools and other plant and vehicle and allow for altering, adapting and maintaining them as necessary and remove when no longer required.
- H. Provide all surveying instruments, temporary benchmarks and labour for setting-out and leveling.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

MATERIALS AND WORKMANSHIP (Continued)

- A. **General scaffolding**
Provide all necessary temporary scaffolding for the proper execution and completion of the contract and alter, shift and adapt from time to time as necessary. Re-erect, at own expense, if so required, any scaffolding which has been struck before ascertaining whether it is required by any sub-contractor nominated or otherwise.

- B. **Watching and Protection**
The site of the proposed Works, except for areas within the existing building, shall be under the Contractor's sole charge from the date of possession to the date of completion of the Contract.

- C. Provide all necessary day and night watching (including Security Guards, if necessary) to effectually protect the Works and materials stored on site, including those of sub-contractors and workpeople and visitors and accept all risks for damage or loss.

- D. Provide all necessary temporary hoarding, fencing, gates, barricades, fans, planked footways, gantries, screens, etc. in accordance with the Employer's details for the protection of the work people, occupants, access roadways, adjoining property and the public and alter, adapt and maintain them as necessary and clear away on completion and reinstate all work disturbed to the satisfaction of the competent authorities. Gantries shall be construed with ramps to allow unimpeded passage to physically handicapped persons and children.

- E. **Trespass**
Prevent any trespass by unauthorized persons on the site of the Works and any trespass on the adjoining property by own employees or those of sub-contractors and indemnify the Employer against any claims, costs or proceedings whatsoever arising out of any trespass or alleged trespass.

- F. **Attendance**
Provide attendance upon, cut away for and make good after all trades and in all trades performed by own workmen and own sub-contractors and leave perfect on completion.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

MATERIALS AND WORKMANSHIP (Continued)

A. **Protection of Works**

Case up and protect all work from any kind of injury and damage. Provide all necessary temporary roofs, tarpaulins, screens, planking and general protection that may be required and clear away when no longer needed and reinstate any work which has become damaged or stained.

B. Allow for compliance with all statues, orders, rules and regulations insofar as is not provided for elsewhere in the Specification.

Allow for compliance with any regulation made by the police for the temporary parking of vehicles and the loading and unloading of persons

C. or goods.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

GENERAL MATTERS

TEMPORARY SITE ACCOMMODATION

A. **Generally**

The Contractor in concurrence with the Engineering technician shall select areas for all temporary buildings, office accommodation and mess rooms for staff and workmen and remove on completion as may be necessary. The ground on which temporary buildings are sited shall be made good after removal of these buildings.

B. **Toilets**

The contractor may use the toilet facilities available on site free of charge for the use of the workmen, provided that he takes care to cause the least disturbance to the operations of the facilities and makes good any damages arising out of his use of the toilet facilities. However, this concession in no way releases the contractor of his obligation to provide toilet facilities for his workmen.

C. **Water for the Works**

The contractor may use the water supply on the site free of charge provided that he takes care to cause the least disturbance to the operations of the facilities and makes good any damages arising out of his use of the water supply. However, this concession in no way releases the contractor of his obligation to provide clean water for the works.

D. **Lighting and power for the works**

The contractor may use the electric power supply on the site free of charge provided that he takes care to cause the least disturbance to the operations of the facilities and makes good any damages arising out of his use of the electric supply. However, this concession in no way releases the contractor of his obligation to provide temporary lighting and electric power for the works.

To Collection \$

PRELIMINARIES AND GENERAL CONDITIONS

GENERAL MATTERS

TEMPORARY SITE ACCOMMODATION (Continued)

- A. **Inclement Weather**
During inclement weather the contractor shall suspend all operations which may adversely be affected for such time as the Engineering technician may direct, and effectually cover up and protect the works from injury by weather.

- B. **Making Good**
The contractor is to make good at his own expense all damage to the structure, fittings and decorations resulting from the operations.

- C. **Clear Away and Clean Down**
Clear away all plant and temporary work unless otherwise described or directed and make good. Clear away all existing rubbish, debris and surplus materials as they accumulate and at completion. Clean floors, paving's and all external surfaces and leave the Works clean and perfect at completion.

2.0 MATERIALS AND WORKMANSHIP

MATERIALS & WORKMANSHIP

FENCING MATERIALS

GENERAL

- A. The bidder will be required to walk the line of fence with a representative of the Project Unit, Ministry of Sport and Youth Affairs and to either bring to his/her attention any additional works that may be required or to include in his price.
- B. The Proposed fencing should have the following:
- Resistant to the effects of local weather conditions.
 - Highly resistant to chemical exposure.
 - Designed to be difficult to climb.
 - Prevent easy cutting using conventional tools.
 - Maintenance free.
 - Minimum warranty of ten (10) years against rust and corrosion.
- C. The height of the wire fence shall be 1.2m with open edges.
- D. The proposed fencing shall be installed using the existing 2” and 4” diameter posts.

Bolts and Hardware

- E. All nuts, bolts and tie wires shall be securely fastened to preclude surreptitious removal and shall be placed to assure visual evidence of tampering.

Welding

- F. All welds shall penetrate the full depth of the metal using an approved method. Where hollow sections are used, the welds shall continue completely around the sections to be jointed.

Painting:

- G. Surfaces that have been welded, cut or filed, or surfaces where the galvanized coating has been broken or damaged shall be painted with at least two coats of an anti-corrosive aluminum paint or suitable substitute to prevent corrosion.

Excavation:

- H. In the event that new posts need to be installed, postholes in normal soil conditions shall be augured to a minimum depth of 600mm for intermediate posts and 750mm for corner posts, with a minimum diameter of 250mm, unless otherwise stated by the Project Unit, Ministry of Sport and Youth Affairs. The guidance of the latter should be sought if abnormal soil conditions are encountered during excavation.

MATERIALS & WORKMANSHIP (Continued)

FENCING MATERIALS (Continued)

GENERAL (Continued)

Concreting:

- A. All concrete shall be designed so as to reach a minimum strength of 21N/mm² in twenty-one (21) days.

Clearance:

- B. Provide suitable closures approved by the Engineer at irregularities in grade such as curbs or ditches. Vertical posts shall not exceed 6 inches open space to the adjacent post or solid structure.

MATERIALS & WORKMANSHIP (Continued)

FENCING MATERIALS (Continued)

CHAIN LINK WIRE

Angles, braces and wire shall be galvanized steel. Bolts, hardware and other parts shall be galvanized steel, malleable iron or ductile iron.

A. Wire:

1. Chain link wire shall be 12 ½ gauge, with mesh woven square size not exceeding 50mm, and galvanized finish – zinc coated, all to requirements of ASTM 123B.
2. Eye bolts and turn buckles for fastening chain link to steel posts shall be 400mm and galvanized.
3. Straining wires for securing chain link wire to steel posts shall be No. 10 gauge copper-bearing steel wire. Straining wires shall be heavily galvanized by the hot-dip process.

B. **Chain Link Wire:** Fence wire shall be stretched by mechanical stretcher, tension bars and tension bands, or other device designed for this use. Stretching by motor vehicle will not be permitted. The length between pull posts shall not exceed 100 feet.

C. The bottom edge of the chain link wire shall be secured with galvanized wire clips to a 10 gauge length or wire pulled taut and fixed between corner and terminal posts and shall be embedded 50mm minimum in the earth.

MATERIAL & WORKMANSHIP (Continued)

FENCING MATERIALS (Continued)

BARBED WIRE

A. Wire:

1. Barbed wire shall conform to the requirements of ASTM A121 with a Class I coating. Barbed wire shall consist of two strands of No. 12-1/2 gauge copper-bearing steel wire with large four point hard temper round barbs spaced approximately 5 inches apart.
2. Tie wires for fastening barbed wire to steel posts shall be No. 12 gauge copper-bearing steel wire. Tie wires shall be heavily galvanized by the hot-dip process.
3. Stays shall be No. 9-1/2 gauge copper-bearing steel wire conforming to the requirements of ASTM A116. Stays shall be 42 inches long.

B. **Barbed Wire:** Fence wire shall be stretched by mechanical stretcher or other devices designed for this use. Stretching by motor vehicle will not be permitted. The length between pull posts shall not exceed 100 feet.

C. **Stays:** Stays shall be twisted into place in accordance with the manufacturer's written instructions at the spacing indicated in the Standard Drawings.

3.0 WORKS TO BE DONE

WORKS TO BE DONE

NOTES:

- (i) Dimensions and quantities stated are approximate. Tenderers are to visit the site and verify all dimensions and quantities, existing conditions and prices should include for these.
- (ii) The descriptions below are to be read in conjunction with the relevant specifications in the materials and workmanship section
- (iii) The contractor may include in the price of the measured work Nr. any considerations arising from said specifications

WORKS TO BE DONE

Item	Description	Qty.	Unit	Rate	Cost
	FENCING				
A.	Remove overgrown and overhanging vegetation from fencing.		Item		
B.	Remove existing barb wire fence and chain link fence and dispose appropriately offsite.		Item		
C.	Allow a Provisional Sum of \$1,200.00 , for remedial works on steel fence posts.		Allow.		1,200.00
D.	Install 12guge. barbed wire strung in horizontal and diagonal lines, fixed to posts in notches and tensioned at centres::				
	i. 3m	152	m		
	ii. 4m	410	m		
E.	Install 12.5guage chain link fencing 1.2 metres high comprising 50mm square woven wire mesh tied with galvanized soft iron wire to post and including three (3) 10gauge straining wire with 1½ Nr pair of 400mm eye bolt and turn buckle, at centres:				
	i. 3m	152	m		
	ii. 4m	410	m		
F.	Protection of all works in this section.		Item.

FORM 7: METHODOLOGY AND WORK PLAN

(To be filled out and returned in the Proposal)

[Technical approach, methodology and work plan are key components of the Technical Proposal. It is recommended that you present your Technical Proposal divided into the following two chapters:

- a) Technical Approach and Methodology*
- b) Work Plan*

*a) **Technical Approach and Methodology.** In this chapter you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.*

*b) **Work Plan.** In this chapter you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones and delivery date. Detailed Gantt chart indicating key tasks and time frame.*

**FORM 8: FORMAT OF CURRICULUM VITAE (CV) FOR PROPOSED
KEY PROFESSIONAL STAFF**

(To be filled out and returned in the Proposal)
